## The Value of Your Eye Glasses

Lies not in the fact that they represent so much merchandise.

Eye-glasses which do not correct the eye faults in YOUR eyes are WORTHLESS to YOU, and your glasses are worthless to ANOTHER PERSON.

So you see the REAL VALUE of glasses depends upon the SKILL of the MAN who FITS them.

There are HUNDREDS of possible lens combinations, but ONLY ONE is EXACTLY RIGHT for you.

MY BUSINESS is to apply the principles of Optometric Science to determine the exact refractive condition of YOUR EYES and adapt the proper Lens Combination to give Perfect Vision Without Strain.

R. E. P. flour, the best on earth.

Under quarantine for smallpox, thirty-five United States soldiers left here early yesterday for El Paso in a private sleeper. They started from Chicago to the border. At La Junta, one of the soldiers aboard the car was discovered to have smallpox. He was removed from the car, and the others were allowed to proceed on condition that none of the soldiers leave the car until El Paso was reached. At this city the car was switched to an out-of-the-way track behind a line of freight cars, and its presence was not advertised. None of the soldiers were permitted to leave it.

## ANTONY AND CLEOPATRA GREATEST MOTION PICTURE EVER MADE

Words fail to express with justice the manifold beauties of George Kleine's latest photo drama success "Antony and Cleopatra." It is one of those rare achievements that occur once in a lifetime, where every attribute meets the requirement of public fancy. Historically, it is the most important production that has yet been presented in this country and the story has an equally powerful attraction to all readers and students. In point of spectacular beauty it has never been approached. Made by the Cines company, who made "Quo Vadis," it has all the grandeur that characterized that wonderful subject, coupled with the realization of dramatic romanticism afforded by Egypt and the famous love tragedy of Antony and Cleopatra. It is superbly acted, with many of the original "Quo Vadis" players in the cast. Sig. Antony Novello, who will be remembered as Vittorio in the earlier production, appears as the soldier-lover, Marc Antony. Sig. Ignacio Lupi is cast as Augustus Caesar Octavianus. Signora Giovanna Terribili Gonzales is the beautiful Cleopatra, while Signora Elsa Lenard appears as Octavia, wife of Antony, and Signor Matilde di Mario as Cleopatra, the handsome maid who paid her life as a penalty for daring to fall in love with Antony. Many of the original "Quo Vadis" players can be recognized among the minor characters in Cleopatra, particularly in the great senate scene. This is only proof of the perfection to be found in the Cines pictures. Mr. George K. Kew's production will be seen in this city at the Crystal Theater Monday and Tuesday, May 4 and 5; matinees at 2:30, evenings at 7:00 and 9:15.

## DEPUTY SHERIFF WHO RESISTED OFFICER FINED 15 DOLLARS

Logino Garcia, who says he is a deputy sheriff at Bernallillo, was fined \$15 by Judge Craig in the police court this morning for acting in a disorderly manner at a North Third street house last night. Officer A. F. Hibler, who answered a call to the house, says he found Garcia in the act of stabbing at Irene Thompson with a knife through a screen door. Garcia is said to have resisted arrest. He is a brawny man, but Hibler pounded him into submission. He paid his fine.
